Director, Office of Field Services

SUBJECT: Regional Consultant District Assignments

The Michigan Department of Education (MDE), Office of Field Services (OFS), has recently rebalanced our regional consultant assignments to better serve local educational agencies (LEAs) and ensure equity of internal assignments. In the process of rebalancing, regional team boundaries and regional consultant district assignments have been changed.

The enclosed map identifies the new team boundaries. When the individual district assignments are finalized, this will be communicated to districts. We appreciate your support and patience during this transition.

If you have any questions, please contact your OFS Regional Consultant at 517-373-3743.
